SHERIFFS TO BE TRUANT OFFICERS

SUPERINTENDENT DAVIS ASKS THE POLICE TO HELP IN ROUNDING UP RUNAWAY CHILDREN.

Superintendent of Public Instruction Davis has sent letters to the various County Sheriffs, asking them to act as truant officers, as follows:

"The Territorial legislature having failed to provide for truant officers, the Department of Public Instruction hereby respectfully requests that you lend your kindly offices in assisting the teachers of the different districts in your County in compelling truants to attend school.

"The Department is aware that it has no legal call upon your office, and makes the above appeal in the name of the boys and girls, future citizens of the Territory.

"Yours sincerely,

"J. C. DAVIS,

"Superintendent Public Instruction."

A. M. Brown, Sheriff of Oahu, and Sheriff Saffery of Maui have sent replies agreeing to do all in their power to catch the truants in their jurisdictions. Sheriff Rice of Kauai also says he will have the matter looked after, and he suggests that the jailers should be specially instructed to act as truant officers. They have little or nothing to do, says Rice, and could easily give time to going after children who fail to attend school as they should.

HONOLULU LOSES WELLKNOWN PEOPLE

NEITHER TAFT PARTY NOR HARRIMAN PARTY ARE LIKELY TO VISIT ISLAND ON RETURN TRIP.

The Harriman party will probably not return to Honolulu on their homeward trip from the Orient. They stopped over in Japan intending to return on the S. S. Siberia. When the party left Honolulu they expressed themselves as delighted with the visit in these islands and E. H. Harriman stated that he would stop longer on the return of the vessel. The Siberia is to be replaced direct to San Francisco from Yokohama however so it is probable that the party unless the members take some other vessel, will be unable to visit Honolulu on the present trip.

By the withdrawal of the Korea Honolulu loses the opportunity of having the Taft party visit this place a second time and the Harriman party now seems lost to this place by the withdrawal of the other boat.
